Welcome to our eco-friendly Lodge built against a hill in the private nature reserve "La Lauve", an 80 ha private nature reserve in the Provence. This peaceful haven for wildlife and people alike is situated at the border of the Alpes Maritimes and the Haut Provence.

The lodge is beautifully decorated in authentic French country style and offers nice charming views on the surrounding hills. You can have a look at the nature reserve "La Lauve" at:

Your home away from home: 4 bedrooms, 8 beds, 4 bath rooms

The HuntingLodge has French windows all around the living room and corridor. These doors open to the terrace, garden, woods and swimming pool area. There are 4 bed rooms, each with its own bathroom with shower and bath tub. In addition to the fire place in the living room, 3 of the bedrooms have their own fire place as well. The house has lots of precious oak wood elements, a brand new fully equipped kitchen, a living room which is a haven of peace and light, and a wooden hangar that offers extra storage space.

Our additional services

Pick up service at the airport

Although most people get here by car, we are able to arrange your transportation from the airport. Just check with us for possibilities and prices!

´Grocery Service´ for your convenience

Although we always provide complimentary local goodies and welcome drinks, ready for you in your Fridge, we can imagine you like a full fridge when you arrive. We can do some shopping for you. Tell us what you need and we will make sure it's there when you arrive. For this service we add a surplus of 20% to the actual price of your groceries.

Information to plan your holiday

In the corridor of the house you will find a display filled with folders and information about the area. These are free to take away and use. There are also maps of the region placed in the display, these are free to use while you go out, and we just kindly ask you to return them for our next guests.

Handy things to use while you are here

In the laundry room you will find some more handy things like a cooling box and frozen elements that you can use for a picnic. We also have some new outside cooking tools (e.g. Dutch oven). Our staff will explain!

Extra cleaning services

Although we only agreed on cleaning after your departure, we might be able to clean and change bed sheets during your stay, when you are not there. In case you like this extra service, please check with our staff for extra fees. For your convenience we have placed various cleaning attributes in the house. We kindly ask you to treat the house as it is yours, with respect!

In the house you will find a variety of local goodies to make you feel even more welcome. Have fun and enjoy the Provence !!!
